*A Tropical Escape...
Closer than you think*

The cares of everyday ... are worlds away!

Nestled in the sand dunes of the South Brunswick Islands, a tropical oasis awaits! With hints of the Caribbean and the charm of the South, a unique paradise is no further than the southernmost North Carolina coast...

"Enjoy glorious vistas of white sandy beach and the mesmerizing dance of dazzling sunlight on the surf while sipping on a mango-rita. Stroll along miles of silken sand, build a sand castle, and gather friends and family for a game of volleyball on the beach. Or chill out in a shady hammock and be refreshed by trade wind's breezes rustling through palm fronds and the gentle gurgle of the ocean-front spa... this is the vibe of the Winds Resort — low key, laid back, and easy!"

Why go to Florida or beyond when everything you want is right here!
